

# CURRICULUM VITAE

Pål Svensson, born in Gothenburg 1950.

---

Pål Svensson ranks as one of Sweden's leading artists, renowned for his sculptural work in stone, steel and glass. He has an extended experience of public art working with planners and architects. Pål Svensson has made about 40 public commissions, won 15 competitions and is represented in the collections of Gothenburg Museum of Art, Museum of Sketches in Lund, Loughborough University in England and Adelphi University, New York, USA.

Before studying Art at Valand, Gothenburg University, 1979 - 1984, he studied for a MA in Urban Planning at Gothenburg University 1971 - 1974. This was a great additional knowledge for an artist in the field of Public Art, and his understanding for planning and architecture has increased his capability for working in team with public projects.

He has been the chairman of the Swedish Sculptors Association for four years and a member of the Esthetic Board for the National Road Company of Sweden. Pål Svensson is currently a member of the Boards at Nordens Ark and Röda Sten, a cultural project in Gothenburg, Sweden.
